## MEMORIES WITHIN OUR WALLS: PLACES IMBUED WITH OUR EMOTIONS

By **Jean Renault & Nathalie Andreu Renault**

Feeling good or bad vibes while visiting a new place is a common experience that can be hard to explain. But places keep a memory of past events, experiences and emotions. How does it work? Why do some places seem imbued with negative or positive energies? This fascinating book, fueled with practical examples based on the authors' experience, goes to the sources of those memories within our walls, exploring the telluric phenomena, electromagnetic fields, souls and entities... and gives basic tips to cleanse homes.

*Nathalie Andreu Renault is a dream analyst and a geobiologist. She lives and works with Jean, surrounded by animals, in the middle of nature. Passionate about history and Cartesian, Jean Renault "knows" however that reality is not necessarily what we see. As a geobiologist, he likes to capture in the invisible the wounds of History as well as those of from our daily lives.*
